New Year's Eve.

At the beautiful home of Mr. and Mrs. J. H. Cavanaugh the XX five hundred club was delightfully entertained last Saturday night. It being New Year's Eve the rooms were decorated with bells and greenery. In the front parlor a Christmas tree was daintily decorated and brilliantly illuminated, and upon this tree the players found their cards signifying the table and couple. Attached to these were tiny toy watches with which the hostess informed her guests were to watch the "old year out" and the "new year" in. As progressions were made the progressor was given a tiny bell with red ribbon and these were attached to the watch chain. The lunch was extremely dainty and appetizing. The hostess was assisted by Mrs. M. F. Cavanaugh of Fowler.

The gifts for progressions were awarded to Mrs. J. W. Baughman and Mr. L. C. Yocum. The guests' prizes were won by Miss Kathryn Jordan and Mr. C. E. Woods, all being exquisite water color 19 calendars. Members of the club present were Mr. and Mrs. L. W. Steverson, Mr. and Mrs. J. W. Baughman, Mr. and Mrs. Herbert Hobbie, Mr. and Mrs. Lewis C. Yocum, Mr. and Mrs. J. G. Ault, Mr. and Mrs. Abe K. Stouffer. Guests: Mr. and Mrs. C. E. Woods, Mr. and Mrs. J. F. McWilliams, Mr. and Mrs. Taylor, Mrs. Len Sutton, Miss Kathryn Jordan, Mr. Clyde Commons, Mr. and Mrs. Cavanaugh of Fowler. The club will meet January 14 with Mr. and Mrs. L. W. Steverson.

M. W. A. at Arkalon.

One of the most enjoyable affairs that has taken place during the holidays was the Modern Woodmen supper at Arkalon Saturday night. A fine supper was served by the Woodmen to about one hundred including Woodmen and their families and invited guests. A short program was rendered which was greatly enjoyed by all. After the Old Year passed out and the New Year was ushered in all departed for their homes wishing all a Happy New Year and thanking the Woodmen for the pleasant evening they had spent.

Judge Thompson was greatly pleased to receive as a Christmas present a very fine little congratulatory note from Governor Judson Harmon of Ohio. Judge Thompson has met the governor frequently at Charlevoix, Michigan, where the Ohio statesman spends his vacation fishing. He told Judge Thompson he was glad to hear of the latter's reelection, and hoped to meet him again at Charlevoix next summer. Inasmuch as the governor is almost the leading and logical candidate for the democratic presidential nomination in 1912, and Judge Thompson has further political honors, there would be nothing inconsistent with a modest little fishing expedition next summer when matters of nation and state as pertaining to democracy would be discussed. Evening Telegram.

Sheriff Quinlan brought Henry Stewart back from Wichita Monday. Stewart was charged with procuring goods under false pretenses. He was released on \$250 bond.

Domestic Science Club.

The Domestic Science Club met at the home of Mrs. L. A. Etzold last Wednesday afternoon. Mrs. Etzold and Mrs. Todd were hostesses. Owing to the cold weather and the freezing of the compressed yeast the bread contest was not called for. We hope to hold the contest at our next meeting. We are also making plans to furnish each member of the club with a cake of compressed yeast and five pounds of flour; each member will have the same kind of yeast and flour with which to work so that the contest will be one of skill and care and good judgment. Bread is the staff of life and the ability to make a splendid loaf of bread is an accomplishment to be proud of. The club will hold its next meeting two weeks hence at the home of Mrs. Dr. Nichols, Wednesday, January 18th.

The recent cold storm with all its severity will yet prove a blessing in disguise by the destruction of typhoid germs that accumulate by the trillion upon the many dumping grounds that surround this beautiful busy city of Liberal. Then again the dust has formed a covering, as it were, over each and all the dead debris, as if to impress on the mind of man to get rid of these dumpage grounds that do so injure our city. Citizen.

Misses Maud and Edna George entertained at the home of their parents the B. G. C's and the L. L's last Thursday evening. The hours flew swiftly by in games conversation and music. Refreshments of cake and ice cream were served. The guests present who are not members of either club were Phoebe Buckland, Susie Farmer, Claude Bunyard, Ansel Mahoney, Ora Murphy and Hugh Funk.

Mr. and Mrs. P. A. Craig went to Kansas City this morning. Mrs. Craig will probably be gone a month. She expects to spend a couple of weeks in Excelsior Springs. Mr. Craig will return in a few days.

Paul Light and family returned last evening from a two weeks overland trip to Little River, Kans. They drove back in a little less than 12 hours, which makes a pretty stiff record for this time of the year.

The United States Supreme Court handed down an important decision this week, declaring that the Kansas Bank guaranty law was constitutional.

Mrs. Yocum entertained at dinner today Miss Rose George and Eugene and Margaret Stouffer.

Attention, Young People.

Mr. J. W. Jones, the Christian Endeavor field secretary for Kansas, is touring Southwestern Kansas in the interests of this society, and will be in Liberal, Saturday and Sunday, Jan. 14th and 15th.

A workers' conference will be held Saturday evening at 7:30 and an address will be given by Mr. Jones Sunday evening at 7:30, both meetings in the Presbyterian church.

The Christian and Presbyterian C. E. societies will unite for these meetings and everyone interested is invited. Especially is it hoped that any other Endeavorers in the county may come to Liberal to hear Mr. Jones.

Come and learn more about the world-wide movement of Christian Endeavor.

Installation and Banquet.

The L. O. O. F. and Rebekah lodges held their installation of officers at Craig Hall last Tuesday. Besides the members of the lodges and their families, a few invited guests witnessed the ceremony, which was very prettily conducted. The following officers took their offices:

SUBORDINATE LODGE 555

A. W. Pankratz, N. G., J. S. Pearce, V. G., Frank Wheeler, Warden, W. P. McClure, Chaplain.

REBEKAH LODGE 522

Gertrude M. Thierer, N. G., Ina Prater, V. G., Beulah Stamper, Secy., Mary Williams, Treas., Velma Spradling, Warden, Mrs. Blanch Ward, Cond., Miss Dessie Printz, Outside Guardian, Ethel Pearce, Inside Guardian, Margaret McClure, L. S. N. G., Mrs. J. D. Pearce, R. S. V. G., and Blanch Bell, L. S. V. G.

On account of the sickness of the installing officers the encampment and the Canton postponed the installing of their officers until the 2nd Thursday night, January 12 1911.

After the ceremony was completed, the Canton drilled for the assembly. In their splendid uniforms, they made a fine showing, and they made quite a hit with the crowd. The closing feature of the evening was an oyster supper, to which all did justice. About 150 people sat down to the banquet. The installation was a decided success and was one of the most pleasant social gatherings of the year.

The Shops to Move.

What appears to us to be a well grounded rumor is being slipped around those who usually know to the effect that the shops at Dahlart are to be moved to Liberal. The railroad is almost coming up to the expectations of people here, and the proposition may soon be put up to the citizens of the town. The repair shops employ from 50 to 75 men. The addition to the town will no doubt be procured, if Liberal is given a chance at it.

W. C. T. U. Notes.

The W. C. T. U. will meet at their Rest Room on Friday at 3 p. m. All mothers are especially invited. The members urged to be on time as matters of interest not only to the union, but the city will be thoroughly canvassed. A short interesting program will be rendered in the interest of health and sanitation.

The receipts of broomcorn here were very light last week, owing to the bad weather and the holiday market. Total receipts last week were 11 cars, which gives a total of 552 cars this season. The demand is better, with but little good corn coming in. The price is a little stronger this week.

J. E. George and G. C. Brown, who have been away the past two weeks on an extensive trip through Mexico and southern California, returned last night.
